

If you are looking for a career in Biotechnology the training below may be of interest to you.

1. Organization providing the training:

Baltimore BioWorks, Inc.

2. Physical location training occurs:

Baltimore BioWorks, Inc.
1100 Wicomico Street
Suite 535
Baltimore, MD 21230

3. Description of the training offered:

This training encompasses many biotechnological skills for the vast biotechnology related workforce. Bio-manufacturing, Biotechnology Laboratory, and Biotechnology Support position trainings are offered as determined by the needs of our Strategic Industry Partnerships. Training opportunities entail 40 hours per week for 6 weeks, or longer as needed.

4. Trainees have the opportunity to earn the following industry-recognized certifications:

Currently no certifications are offered for completing these programs.

5. Am I eligible?

A minimum of a high school degree or GED, with a required clear background check. Some placements may also require a clean drug test.

6. What is the application process?

Interested individuals must complete an EARN Application. The application needs to be sent by email to jpowmd@gmail.com. After receipt of the application an interview is scheduled on site, or virtually by Zoom. Reach out to jpowmd@gmail.com to get started.

7. How much can I expect to earn if I complete this program and obtain employment?

The estimated salary usually varies by the completed educational level (High School - Masters degree) of the applicant. The starting pay per hour is approximately between \$15 - 22 per hour.

8. How much do I have to pay for this program?

This training program is free to applicants accepted into the program.

9. Where can I find more information about this program?

Please visit the Baltimore BioWorks website <https://www.baltimorebioworks.com> for additional information.
