

If you're interested in becoming a Certified Nursing Assistant (CNA) and a Geriatric Nursing Assistant (GNA), this training could be a good option.

1. Organization providing the training:

Dwyer Workforce Development and It Works Learning Center, Inc.

2. Physical location where training occurs:

Classes are held online and in-person, skills and clinicals are held in person at various approved clinical locations.

3. Description of the training offered:

The CNA/GNA training program is a 140 hour certificate program that provides students with the training and clinical experience necessary to obtain both their CNA and GNA licenses. The CNA/GNA program is broken into two components: (1) 100 hours of classroom instruction and (2) 40 hours of clinical training. Depending on the class, the classroom instruction is either taught online or in person; however, all clinical rotations are taught in person.

4. Trainees have the opportunity to earn the following industry-recognized certifications:

Trainees have the opportunity to earn the following certifications:

- Certified Nursing Assistant (CNA)
- Geriatric Nursing Assistant (GNA)

5. Am I eligible?

To be eligible for this training program, applicants must:

- Be 18 years or older.
- Have a COVID-19 Vaccination.
- Pass a background check.

6. What is the application process?

To apply for this program please contact: Teresa Turner | 410-919-4600 or apply online: www.dwyerworkforcedev.org/apply-now.

7. How much can I expect to earn if I complete this program and obtain employment in the healthcare field?

\$16.00 per hour

8: How much do I have to pay for this program?

There is no cost for participants.

9. Where can I find more information?

Dwyer Workforce Development offers person-centered healthcare education and training as a path towards employment and economic stability for our Dwyer Scholars—helping them achieve their Certified Nursing Assistant (CNA) and Geriatric Nursing Assistant (GNA) certifications at no cost. Scholars continue to work with our case management team to create an individualized professional development plan to further grow in their careers. We continue to support Scholars in achieving advanced certifications and/or other healthcare career options.
