If you're interested in a career in <u>Hospitality</u>, this training could be a good option.

1. Organization providing the training:

Paul's Place & Groundwork Kitchen Culinary Training Program

2. Physical location where training occurs:

925 Washington Boulevard, Baltimore, MD 21230

3. Description of the training offered:

Groundwork Kitchen is a 8-week training program that teaches students culinary fundamentals, food safety, and sanitation along with job-readiness skills. Upon completion of the program, students will have the skills necessary to join the service/hospitality industry.

4. Trainees have the opportunity to earn the following industry-recognized certifications:

Required for completion:
- ServSafe Food handler

Optional opportunities:
- Certified Guest Service Professional: Tourism
- Certified Kitchen Cook
- Certified Restaurant Server
- ServSafe Manager

5. Am I eligible?

Groundwork Kitchen is an entry-level culinary training program for adults 18 years or older, who are authorized to work in the United States. No previous food service experience is necessary.

Students must earn less than Baltimore City Area Median Income to be eligible for our program. All Groundwork students must intend to seek employment after completing the training program. Students must be able to work, at least part-time, and express that as a goal.

6. What is the application process?

- Visit: https://paulsplaceoutreach.org/culinary-training-program.

- Complete the online student application or contact the Workforce Development Manager at 443-873-7832 or gwkstudentservices@paulsplaceoutreach.org.

Note: The first part of the application process is completed online. The rest of the application process is to attend an information session, take the math and reading assessment, and submit verification of age and work authorization.

7. How much can I expect to earn if I complete this program and obtain employment in the cybersecurity field?

Graduates have obtained jobs earning up to $24/hr in their first job upon completion of the program. The average initial wage for graduates who complete the program is $16.81/hour.

8: How much do I have to pay for this program?

There is no cost to individuals.
