BALTIMORE ELECTRICAL JATC

2699 W. Patapsco Ave.,
Baltimore, MD 21230

Please join the Maryland Chapter NECA, IBEW Local 24, and the Baltimore JATC on Friday, November 22 for Industry Connect—an event designed to give students, educators, and other community members an opportunity to learn from the industry's best while gaining hands-on experience and insight into the electrical construction industry. High school students, educators, and other community members interested in the electrical construction industry are encouraged to attend this event!
