

## **GPR Technician**

### **Full Time, Nonexempt**

This position requires a detail-oriented person who can operate GPR equipment while, ensuring accuracy and timeliness of all job functions.

### **Essential Functions**

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Operate GPR equipment with high proficiency.
- Maintain daily GPR reports.
- Ensure equipment is in safe working condition and conduct routine and preventative maintenance, as needed.
- Have reliable transportation to and from headquarters and job sites and ability to transport equipment.
- Promote positive and professional relationships with team members and clients.
- Ability to use GPR scanner to locate steel reinforcement, Post Tension cable and conduit imbedded in concrete.
- Maintain all required certifications.
- Completes other duties and projects, as assigned.

The person must possess the ability to understand the significance of GPR and his/her role on a dynamic, changing worksite, and must perform without presenting a safety threat to self, co-workers, and other people.

The person must be capable of talking with and signaling people to convey or exchange information in a demanding environment as described below and must be able to read and write.

### **Competencies**

1. Technical Aptitude
2. Safety Readiness
3. Critical Thinking/Problem Solving
4. GPR Knowledge Proficiency
5. Time Management
6. Communication skills

7. Methodical Attention to Detail
8. Ability to analyze results of technical equipment.
9. Confidence when operating GPR equipment

### **Supervisory Responsibility**

This position has no direct supervisory responsibilities.

### **Work Environment**

This position works indoors and outdoors, businesses, factories, data centers, and construction sites. Work around hazardous conditions, equipment, and situations. Can often be exposed to sounds and noise levels that are uncomfortable and distracting. The person must work in bad weather conditions on sites which are often noisy, dirty, unheated, un-cooled, damp, and where often the only sanitary facilities are portable toilets.

### **Physical Demands**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

While performing the duties of this job, the employee is regularly required to use hands to finger, handle or feel; reach with hands and arms; and talk or hear. The person frequently must lift and carry tools, equipment, and parts that weigh up to 50-100 pounds repetitively over substantial distances, often on uneven, rough surfaces. Performance of the required duties will require physical ability to lift up to 100 lbs., climb permanent and temporary stairs, passenger use on construction hoists, and negotiate work areas under construction. Frequently ascend and descend from ladder, stand, kneel, bend, squat, and crawl and otherwise work in tiring and uncomfortable positions. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.

### **Position Type and Expected Hours of Work**

This is a full-time position and occasionally can require that you work overtime.

Days and hours of work are Monday through Friday, 8 hours during core hours between 5am to 5pm.

### **Requirements and Experience**

1. 1-2 years GPR/concrete scanning
2. Clean driving record
3. GSSI Equipment knowledge preferred.

#### 4. Operation of GPR Equipment

##### **AAP/EEO Statement**

J.E. Richards, Inc. is an Equal Opportunity and Affirmative Action Employer committed to ensuring equal employment opportunities for all job applicants and employees. Employment decisions are based upon job-related reasons regardless of an applicant's race, color, sex, religion, national origin, marital status, age, disability, protected veteran status, sexual orientation, or any other protected status.

##### **Other Duties**

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time with or without notice.
