

The Division of Labor and Industry has proposed the following adoptions under COMAR 09.12.81.01, as published in [Maryland Register Volume 52, Issue 26](#) (December 26, 2025):

- ASME A17.1 2022/CSA B44:22 (Revision of ASME A17.1-2019/CSA B44:19) *Safety Code for Elevators and Escalators* with amendments;
- ASME A17.8-2021/CSA B44.8:21 *Standard for Wind Turbine Tower Elevators*; and
- ASME A18.1-2023 *Safety Standard for Platform Lifts and Stairway Chairlifts*.

Additionally, the State proposes to amend COMAR 09.12.81.06 to align record retention requirements with the adopted codes.

Comments on the proposal are being accepted until January 26, 2026. Please click on the Maryland Register link above for more details.
